The following homeowners are opposed to Mr. Vinay Panday's application for a special exception (post facto) under Section 223 of the District of Columbia Zoning Adjustment Code to allow for the construction of a canopy over the driveway and stairway at 5210 Klingle Street, NW (Application Number 16710).

We believe that it is the obligation of the ANC to recommend the immediate removal of said structure as it was built without a zoning variance and that the BZA should require its immediate removal.
