Re: BZA # 16710 5210 Klingle Street NW.

Dear Ms. Pruitt:

Advisory Neighborhood Commission 3D held its regularly scheduled monthly meeting on Wednesday, May 1, 2002 at Sibley Hospital. Proper notice of this meeting was given in the local newspaper and notices were posted throughout the neighborhood. A quorum was present at all times.

Under Community Concerns/Old Business, Chairman John Finney noted that BZA was scheduled to reconsider the tie vote in the case of Mr. Pande and his request for an awning over the driveway in his side yard. Since the original vote, a new BZA Commissioner has been appointed. Mr. Pande's attorney therefore asked that the case be reconsidered. The Commissioners by voice vote authorized the Chair to proceed to send a letter restating the Commissions position. We refer you to the letters the Commission sent to the BZA on June 18, 2001 and again on October 09, 2001.

Quoting from our October 9th letter "after much discussion and after hearing from both Mr. Pande and his attorney as well as neighbors, the Commission voted 4-0-0 to send this letter to the BZA stating that we still stay with our former letter in which we suggest that he tears down the present structure and work with the "line of sight" neighbors."

Once again, the Commissioners of ANC3D wish to restate our position that we suggest Mr. Pande be required to tear down the present structure and work with the "line of sight" neighbors.

Thank you for including this in the reconsideration hearing.

Sincerely
John W. Finney
Chair ANC3D
