Mr. Nathaniel Baker, Sr., has completely renovated an abandoned drug infested building, which has greatly improved the appearance of the neighborhood and the community. He has prove to be the type of role model that is so desperately need in the Trinidad Avenue area.

I support Mr. Baker's efforts in trying to obtain a certificate of occupancy and business license for the proposed beauty salon. More business is what this area needs. It will help eliminate the drug problem in our community. The proposed beauty salon will provide a needed service for the community members. In addition, it will provide services for the disabled and senior citizens that cannot travel a great distance.

The beauty salon services will not have a negative effect on the resident in the area. It is a much needed and appreciated asset.

I appreciate and thank you and the Zoning board in advance for granting Mr. Baker's request.

Sincerely
LaShay Holt
