To Whom It May Concern:

Please accept the enclosed application requesting a special exemption's ruling which is required under DCMR Title 11, Section 3104.1. Under the advisement of Mr. Bello of Zoning Review and Jill Dennis of DCRA, we are requesting an expedited hearing with a bench decision. We would very much appreciate your assistance in this matter. Our goal is to acquire the necessary zoning adjustment by May 30, 2001.

If there is any additional information that I can render to help accelerate this process, please contact me. Thank you in advance for your consideration.

Sincerely,

Linda V Jackson
Executive Director
