Mr. Geoffery Griffis
Chairman,
Board of Zoning Adjustment
441 4th Street, N.W. Room 210
Washington DC 20001

Dear Mr. Griffis:

RE: BZA Appeal of building permit issued about January 22, 2002 for a seven-story structure at 5111 Connecticut Avenue, N.W.

At ANC 3G's publicly announced meeting of February 11, 2002, the Commission voted 6 - 0 (a quorum being four) to join in the appeal of the building permit entered into by the Nebraska Avenue Neighborhood Association.

ANC 3G asks that filing fees be waived for the ANC as well as the Nebraska Avenue Neighborhood Association.

ANC 3G continues to have concerns regarding the elevator and roof structures, and other continuing noncompliance with building, zoning and other codes.

The granting a building permit under the described circumstances would be a legal error.

ANC 3G appoints Marilyn Holmes and/or Joe Bishop as our representative for any hearing on this appeal.

Sincerely

Joseph L. Bishop
