Re: BZA Application No. 16717

Dear Ms. Kress,

My husband and I hereby request a postponement of our BZA hearing. The hearing is presently scheduled for Tuesday, July 3, 2001 and we are requesting a postponement to February 12th. We are making this request because we will both be out of the country for several weeks during the month of June. Accordingly, we would not be available to talk to, or respond to our neighbors adequately concerning our request for a variance. In addition, during our absence, the Advisory Neighborhood Commission 1D will be meeting and a discussion of our application will be on the agenda. Since we seek ANC approval, it is essential that we are represented during these meetings. Unfortunately, our architect will not be available for this meeting as well.

Your attention to this matter is greatly appreciated.

Sincerely,

Melinda Bieber and Norman Pozez
