Dear "A" Street Neighbors:
As I am sure you are aware, my husband Gordon and I are about to begin the renovation of 633 "A". We are excited about the project and would very much like your support as we move forward. In order for us to have the opportunity to answer questions you might have we would very much like you taking a few minutes to review our plans.
Thank you,
Your new neighbors
Carla and Gordon Bremer

Your signature of support below would be greatly appreciated.
