RE: Notification of Property Owners Within 200 Feet

I received a telephone call from Ms. Andrea Harles of 15 Browns Court, S.E., who advised me that the list of property owners (within 200 feet of the subject property) supplied by the applicant was not all inclusive. Upon review, it was determined that many of the properties within the 200 feet radius were not identified and as such not notified of the public hearing. I informed the applicant's agent of this discrepancy, and suggested that he obtain a list of property owners from D.C. Tax and Revenue and mail a notice of the hearing to the affected properties owners. I asked that he also submit a certification of service to this office.
