RE: BZA Case Nos. 16719 & 16721 – Status

The Board granted the postponement of the above-cited applications in order to give the Applicant time to reassess the relief that it needs for the project to be considered by the Board. On October 16, 2001, I spoke with Mr. John Linam, the applicant's architect, who advised me that the Applicant had hired land use counsel, and that a new application was going to be filed soon with the Board. The above-referenced applications would be withdrawn with the filing of the new application.
