RE: BZA Application No. 16722 – First F.S.K. Limited Partnership

Dear Mr. Quin:

The Board of Zoning Adjustment approved 4817 U Street, N.W. to be used as a 78-space accessory parking lot for the CVS/pharmacy that is located at 4859 MacArthur Boulevard, N.W. The public hearing on the application was held on June 26, 2001. At the hearing, the Board requested supplemental materials, which was received (Exhibit No. 27). The Board rendered a decision on July 31, 2001 approving the application with conditions.

The Board requested pertinent information about contact persons at the regional manager level and above who are responsible for maintaining the MacArthur Boulevard CVS/pharmacy. The Board was provided a list with the names, titles, and telephone numbers of the contact persons; however, the Board felt that this information is incomplete. The Board requests that they be provided with the business addresses and e-mail addresses and fax numbers, if available, for these persons.

In order for the Board to develop a complete file on this case, please provide this information to the Office of Zoning as soon as convenient. The staff person working on this case is Beverley Bailey. She may be reached on (202) 727-0364 for questions.

Sincerely,

JERRILY R. KRESS, FAIA
