May 16, 2001

Ms. Sheila Cross Reid
Chairperson
Board of Zoning Adjustment
441 4th Street NW, Suite 210
Washington, DC 20001

Dear Ms. Reid,

At the regularly scheduled meeting held on May 9, 2001, ANC2B considered BZA Application No. 16728, an application for special exception relief from Section 223.1 to allow a percentage of lot occupancy in excess of that allowed a single family dwelling in the R-5-B Zone pursuant to Section 403 in the DCOD/R-5-B Zone. With six of the seven commissioners in attendance, a quorum at a properly noticed public meeting of the Commission, the following motion was passed unanimously:

> ANC2B supports the approval by the BZA of the special exception request of John Cogswell for an additional carport building over an existing garage foundation at 2105 N Street NW.

Thank you for your attention to this matter.

ON BEHALF OF THE COMMISSION

Very truly yours,

Vince Micone
Chair, ANC2B

cc: John Cogswell
