RE: BZA Application No. 16730

We are residents of the Logan Circle Neighborhood and are excited about the new housing that is being developed on 13th Street. We are writing in support of Bundy Development Corporation's application no. 16730 for a zoning adjustment for the 1320 13th Street site. The corporation has shown a strong commitment to the neighborhood, has demonstrated a high quality of work in its reconstruction of The Castle on Logan Circle property, and has plans for an appropriate-sized property at 1320 13th St.

Please consider our support for the zoning adjustment as you consider application no. 16730.

Sincerely,

Peter J. Pizzolongo
