Re: BZA Application No. 16730

Washington, DC 20005

Dear Ms. Pruitt:

Pursuant to the direction of the Board of Zoning Adjustment at the conclusion of the public hearing on June 19, 2001, I met with The Logan Circle ANC 2F Development Committee on June 27, 2001 to present my revised building plans showing the reduction of building height from 75 feet to 68 feet. Helen Kramer presided over the meeting of the six members of the committee present. Four of the members indicated that they were comfortable with the scaled down building and two remained neutral. Ms Kramer indicated that Mr. David Stephens had instructed them not to vote or express a formal opinion as the next official meeting of the ANC was not until July 11th, the day after the July 10th meeting of the BZA.

I also presented the ANC 27 Development Committee with a petition of support signed by fifty-four neighbors, including an absent member of the committee. I have enclosed a copy of that petition with this letter.

Sincerely,

Pamela D. Bundy
President
