ANC 1E-Mount Pleasant

RESOLUTION:

Be it resolved that ANC 1E formally requests a continuance of the zoning hearing until after the rescheduled Historic Preservation Review Board (HPRB) hearing and during which time a working group comprised of residents within 200 feet of 1841 Park Road have time to meet and the ANC has formal notification and proper time to receive comments from residents, in order to prepare a formal submission to the Board of Zoning Adjustment (BZA) and urge BZA to reschedule a hearing as soon as possible after the HPRB hearing.

Sincerely,

Laurie Collins
ANC Commissioner 1E
