To whom it may concern:

As the applicant's agent, I am requesting a continuance from the July 3rd, 2001 meeting for application number 16735 at 901 East Capitol Street, NW for the Owner, Dr. Beverly Anderson. Doctor Anderson will be out of town during the week when both the ANC and the Capitol Hill Restoration Society have scheduled their hearings. Dr. Anderson wishes to attend the hearings to make her case personally. Therefore, as her agent, I am requesting this continuance to the next possible hearing date. I have informed both the ANC and the Capitol Hill Restoration Society that I will be making this request. I understand that the property still needs to be posted for the July 3rd meeting.

I will be attending the July 3rd meeting to make this request in person.

Thank you.

Sincerely,

Andre F. Houston, AIA
