subject: BZA application no. 16735 for 901 East Capitol Street, SE

Dear Ms. Baily:

As directed by your telephone message, I am herewith requesting that the hearing date for the above referenced case be moved to anytime in October. It was originally scheduled for July 3rd. A continuance was requested from that date and granted to September 12. Unfortunately, the ANC which is reviewing the project will not be meeting before the September 12 BZA meeting. Because the ANC review is so important, I am asking as the agent for the Owner, Dr. Beverly Anderson, that the September date be pushed back to October to accommodate the ANC's schedule. I have requested that the ANC write me a letter stating that they cannot meet before the September 12th BZA meeting and they have told me that they will provide me with the requested letter. As soon as I receive the letter, I will send it on to you.

Please phone me if you have any questions. Thank you.

Sincerely,

Andre F. Houston, AIA
