RE: BZA Application No. 16735 – 901 East Capitol Street, S.E.

I received a telephone call from Dr. Beverly Anderson, the applicant in the above-cited application, in response to a February 26, 2002, Office of Zoning (OZ) inquiry concerning her desire to re-advertise the application for public hearing. The applicant advised me that she fully intends on going forward with the application, but that her continuing health care prohibits her from participating in a hearing until late May 2002. OZ will do a status check on this issue with the applicant in April 2002.
