Re: BZA Application No. 16735 – 901 East Capitol Street, S.E.

Dear Dr. Anderson:

The above-cited application was filed on April 23, 2001, and was originally scheduled for a public hearing on July 3, 2001. The Board of Zoning Adjustment agreed at that time to your request to reschedule the public hearing until after January 2002, to accommodate your health needs. In response to a letter from this office dated February 26, 2002, you advised staff by telephone that you would not be able to go forward with the case until late May, 2002. To date we have not heard from you regarding your intentions to pursue this matter further.

Given the time that has lapsed between the filing of the application and the present (14 months), and your failure to procecute your application thus far, it is imperative that you contact Richard S. Nero, Jr., Special Assistant, on (202) 727-6311, concerning your intentions regarding the immediate re-advertisement and re-scheduling of a public hearing date for your application. Failure to respond in a timely manner to this inquiry will result in a recommendation that the Board dismiss the application.

Sincerely,

JERRILY R. KRESS, FAIA
Director
