To ANC 2E and the Commission of Fine Arts:

We are proposing the addition of a dormer on the rear of our house at 1406 30th Street, NW. This proposal will be reviewed at the ANC 2E meeting on April 3, 2001, and the Old Georgetown Board meeting on April 5, 2001. We have shown drawings of our proposal to the neighbors listed below. Their signature on this letter indicates that they support construction of the project.

We appreciate your attention to our project. Please contact us if there is any further information that we might be able to provide to you. We look forward to seeing you in April.

Sincerely,

John and Laura Chadwick
