RE: FMBZA Case No. 16739 – Embassy of Latvia

The Notice of Proposed Rulemaking (NOPR) was inadvertently published in the D.C. Register on September 7, 2001, or 18 days before the public hearing, instead of the required 30 days. The Board must waive the thirty (30) day D.C. Register notification period, or postpone its decision in this matter until after September 30, 2001. Timely notification of the public hearing was sent to the affected Advisory Neighborhood Commission and to the property owners within 200 feet of the subject premises. The subject premises has also been properly sign posted.

Note: Pursuant to 11 DCMR § 1002.10, the Board must make its final determination in this matter by November 3, 2001, not later that six (6) months after the May 3, 2001, filing date of the application.
