Re: Variance Application for 1523 Vermont Avenue, NW

Dear Ms. Reid:

Attached is a completed application for a variance pursuant to Section 3103.2 of the D.C. Zoning Regulations for a variance from Section 2001.3 (a), (b), and (c). We are seeking to add a roof top deck and emergency escape route onto our house.

In lieu of the Zoning Administrator's memorandum, we have provided a completed BZA Self-Certification Form, found as Exhibit H of the attached application, duly signed by Architect William Bonstra. We have twice spoken with Olutoye Bello of your office, who suggested that we only needed to seek relief from 2001.3.

In addition to the application, please find enclosed a check made payable to the D.C. Treasurer in the amount of ~~$250~~ 80 for the application fee.

Thank you for your assistance in processing this application. If you have any questions about this application, please call us at (202) 588-8579.

Sincerely,
