Dear Mr. Price:

On Behalf of the Hotel George, I am writing to you regarding the development of 500 New Jersey Avenue, NW, which is, located approximately one block from our hotel. This property has been an eyesore and has attracted vagrants, as well as, promoted crime for many years.

The development proposed by Jay Hellman would transform this area into an appropriate building located so close to our Nation's Capitol. The proposed office building would also boost the neighborhood economy. We also support the requested variances for the proposed building in order to make it commercially viable.

Mr. Price, we urge you to support the steps necessary to make this project a reality.

Sincerely,

Joyce Dorsett
General Manager
