Mr. Eric Price, Deputy Mayor
Planning & Economic Development
441 - 4th Street, NW
Washington, D.C. 20001

Dear Mr. Price:

As former Commissioner of Single Member District 6A01 and the current Executive Director of the Community for Creative Non-Violence at 425 2nd Street, N.W., I am submitting my support for the variances requested by Jay Hellman for the proposed development at 500 New Jersey Avenue, N.W..

This project would readily accommodate the current plans for transforming the area into one which best meets the planned commercial and economic needs of the area.

Respectfully,

Terri Bishop
Executive Director
