To Whom It May Concern:

On October 1999, the officers of The International Deliverance Church of God have rented the building located at 1541 5th Street, NW for assembly for worship services and meetings. Since then, we have not been able to occupy the building due to a series of delays such as:

1. Finding a parking facility, which we have now received.
2. Receiving the required government permits and approval and
3. Obtaining zoning criteria.

The church eagerly waits to start the renovations on the building so we can start convening for services. In an effort to do this, we respectfully request that the processing of the papers for the zoning be expedited.

Thanks in advance for your assistance in this matter.

Yours respectfully,

Hughline M. Sutton
