Government of the District of Columbia
Board of Zoning Adjustment

RE: Application No. 16751 (3621 Jocelyn St., NW. Sq. 1990. Lot 840)

The proposed addition does not affect my residence at 3614 Jocelyn and from what I understand would not have a negative result in our immediate area. Therefore, I have no objection to the plan of Patricia Harris and Sandor Shayer at 3621 Jocelyn St., N.W.
