Jerrily R. Kress, Director
Office of Zoning
441 4th Street, N.W. Suite 210
Washington, D.C. 20001

Dear Ms. Kress:

As you are probably aware, the Council of the District of Columbia put in place a moratorium until the Mayor formulates a plan to deal with the issue of telecommunications towers. To date, we have not received any such plan. I understand that the Advisory Neighborhood Commissioners exercise "great weight" authority and that Advisory Neighborhood Commission 7B has given its approval. But until the Mayor comes up with a plan, we on the Council are opposed and I in particular am against this proposal.

Sincerely,

Kevin P. Chavous
Councilmember, Ward 7
