Ms. Sheila Cross Reid,
Chair,
Board of Zoning,
441 4th Street, N.W.,
Suite 210,
Washington, D.C. 20002

Dear Chairperson Reid,

On May 21, 2001, the East of the River Pennsylvania Avenue Revitalization Task Force heard a presentation from Steve Buernstein Associates regarding its proposal to locate a 150 foot communication tower at the Penn Branch Shopping Center. At this meeting, a thorough discussion of the tower issues pros and cons were discussed and eighty five people unanimously approved a motion opposing the tower's location at the Penn Branch Shopping Center. Civic association representatives in attendance were from the Fairlawn, Randle Highlands, Dupont Park, Hillcrest, Penn Branch, Fort Dupont, Fairfax Village, and Fort Davis communities. This letter is to officially put on record the Task Force opposition to locating the communication tower at the above mentioned shopping center in Case Number #16753, Square 5539, Lot 540 before the Board of Zoning.

As Chair of the Task Force, I can be contacted at 202 583 0738, if any further information and clarification is required regarding the vote on this matter.

Sincerely yours,

Donald T. Murray Jr.
