Re: Application for Special Exception by SBA
Penn Branch ShoppingCenter
BZA Case No: 16753

Dear Ms Reid:

This letter is in protest of BZA Case No.: 16753. This proposal is for use of property which is located at Penn Branch Shopping Center. We believe that the placement of such a tower at the proposed site would adversely affect the surrounding neighborhood and property both aesthetically and financially. We also have reason to believe that it may have a negative affect on existing health conditions for citizens living in the Penn Branch Community of ward seven.

We are asking you to please consider those of us who have lived in our community, raised our families here and are now senior citizens hoping to maintain our property values as well as continue to be a community in which home seekers will find desirable.

Thank you for considering our concerns. Please vote **no** on the application.

Sincerely yours
James A. Hamlin, Jr.
