Dear Ms. Reid:

At its regularly scheduled meeting on August 8, 2001, ANC 2B considered BZA Application #16754, an application by 1615 LLL Limited Partners, for variances from the floor area ratio requirements, loading berth requirements, building height limitations, and stacked garage parking space limitations to allow a nonconforming addition to an existing hotel (The Governor's House) at 1615 Rhode Island Avenue, NW. With five of seven commissioners in attendance, a quorum at a duly called public meeting, the following motion was unanimously approved:

> ANC 2B supports BZA Application #16754 by LLL Limited Partners (The Governor's House) at 1615 Rhode Island Avenue, NW, for variances to allow a nonconforming addition to an existing hotel.

Please contact Commissioner Doug Damron, in whose Single Member District this business operates, on (202) 533-2511 for additional information or assistance. Thank you for your attention to this matter.
