To Whom it May Concern,

This is to convey enthusiastic support of the proposal of Laura Comfield and Richard Thomas for an addition to their home at 220 5th Street SE. For the 30 years I have lived on this block there has been a gradual but welcome trend toward a more family-friendly and owner-occupied neighborhood. The proposed addition will not only enhance those aspects of 220 5th St SE, it will improve our neighborhood as well by continuing these beneficial trends. We hope this proposal will receive speedy approval.
