Canfield-Thomas House Addition
220 5th Street, SE (Sq. 843, Lot 804)

Statement of Existing and Intended Use

The owners at 220 5th Street, SE propose to build a two-story addition to their existing two-story semi-detached house. The project will provide additional habitable space for the owners who have expanded their family since purchasing the property. By creating an entrance vestibule at ground level and a third bedroom at the second level, the addition will continue to provide housing for the owners and their two children. The building is only designed to accommodate this one family.
