Re: BZA Case No. 16758, Application of BP Amoco Corporation for a special exception to construct a gasoline station under section 726 in a C-2-A District at premises 1300 Rhode Island Avenue, N.E.

Dear Ms. Kress:

The following information is a follow-up to my letter of September 17, 2001 requesting party status for ANC 5A in the above-referenced case.

Commissioner Robert "Bob" King has been designated representative on behalf of ANC 5A to participate at the hearing in the capacity as opponent of the application.

ANC 5A supports the Brookland Civic Association and ANC 5C and all of their reasons for opposing the application and because of its proximity the proposed gasoline station would impact ANC 5A.

Also, we are in opposition because of the environmental impact of increased vehicular traffic.

Additionally, ANC 5A has envisioned a different use for the parcel, such as affordable and quality housing.

If there are any questions regarding this case please do not hesitate to call.

Sincerely,

Norma M. Broadnax
Chairperson
