RE: BZA Application No. 16759
Tirinnanzi Residence, 2718 P Street

Dear Madame Chair and Members of the Board:

At the regular public meeting of ANC 2E on September 4, 2001, which had been duly announced and at which all commissioners were present, ANC 2E unanimously passed the following motion:

> **That having previously passed favorably on the proposed design for the addition of a third floor to the residence at 2718 P Street, and recognizing the approval given by the Old Georgetown Board and the Fine Arts Commission, that ANC 2E has no objection to the owners' request for a zoning variance to the property.**

Please include this motion in the record for the Board of Zoning Adjustment hearing scheduled for October 2, 2001 giving it the great weight that it deserves.

Thank you.

Sincerely,

Peter Pulsifer
