RE: Case 16776 – 1607 16th Street, N.W.
Letter in Support of Applicant

Dear Members:

I am scheduled to testify in support of this case tomorrow but, unfortunately, I have the flu and am too ill to come personally. Therefore, I am writing you this letter.

I have lived at 1631 16th Street, N.W for over eight years and have watched with great joy and appreciation the numerous renovations in the 1600 block of 16th Street, N.W. during his time.

I reviewed the great architectural plans in Dr Hansen's proposal and fully support the plans.

This is the last house to be renovated in the block so all the neighbors are very excited about finishing the block.

Thank you for your time and again, I fully support Case 16776.

Sincerely,

Robert (Ken) M. Taylor, Jr.
