BZA Case No. 16780 – Lenard Woods

Dear Mr. and Mrs. Corson:

At the October 30, 2001 public hearing on the above-identified application, the Office of Zoning volunteered to make available to you a copy of the building plans for Mr. Woods' building, which is located at 1360 East Capitol Street, N.E. Mr. Woods indicated his reluctance to provide the plans. As you discussed with Beverley Bailey of this office on November 1, 2001, there is an extra copy of the building plans in the file. You may obtain a copy of the building plans **for copying**, at your convenience, by coming to the Office of Zoning. After copying, the plans must be returned to this office.

As a reminder, the Board established the following dates:

- **November 12, 2001** — Mr. Woods is to file photographs of the rear of the dwelling, prior to construction of the addition. Mr. Woods should serve the information on the parties. [The Board granted you party status at the public hearing. Advisory Neighborhood Commission (ANC) 6B is automatically a party to the case.]
- **November 19, 2001** — Parties may respond to Mr. Woods' submission.
- **December 4, 2001** — The Board will consider a decision at its Public Meeting. (The Applicant and the parties may attend the public meeting but are not required to do so.)

For your information, the Office of Zoning received the letter from ANC 6B, which was discussed at the public hearing. A copy is attached. Please note that the Board requested a report from the Office of Planning. Therefore, we will be contacting the Office of Planning in this regard.
