Dear Ms. Kress:

I continue to be troubled by the problem created with the expedited hearing involving Comcast on October 9, 2001 (BZA Application No. 16784 - Comcast). As you and I discussed, Mr. Michael Johnson's request for, and BZA's adherence to that request for, an expedited hearing, specifically prejudges the Brightwood Community. That is why the both of us orally agreed that my request for a continuance of this hearing would be granted. To date, I have not received a response to my recent correspondence requesting such a continuance.

Your September 11, 2001 letter to Jim Jones explaining the waiver and oral argument process ignores the fact that the community does not have enough time to legally prepare for the hearing.

Accordingly, I continue to wait for your response.

Sincerely,

Adrian Fenty
