Dear Mrs. Cross-Reid:

SUBJECT: Case NO. 16784 – COMCAST

I am a resident of the Brightwood community and do hereby oppose the application of Comcast for a special exception to build an Optical Transmission Node (OTN) in my community. As a resident of this neighborhood, I am writing you to advise that an OTN in my residential area would not be in harmony with the general purpose and intent of the Zoning Regulations and Maps and that it will adversely affect the use of neighboring property in accordance with the Zoning Regulations and Zoning Maps for the following reasons:

1. It would be out of character with the residences in the community.
2. It will lower property values.
3. There will be increased vehicular and pedestrian traffic.
4. There will be noise emanations from this structure.
5. It will negatively impact the environment of our community.
6. The structure is for commercial use in area zoned residential.

I request that Comcast's application for special exception to build an OTN in the 6300 block of Piney Branch Road, N.W., be denied.

Sincerely,

Margaret Singleton

SUBJECT: Case NO. 16784 – COMCAST

I am a resident of the Brightwood community and do hereby oppose the application of Comcast for a special exception to build an Optical Transmission Node (OTN) in my community. As a resident of this neighborhood, I am writing you to advise that an OTN in my residential area would not be in harmony with the general purpose and intent of the Zoning Regulations and Maps and that it will adversely affect the use of neighboring property in accordance with the Zoning Regulations and Zoning Maps for the following reasons:

1. It would be out of character with the residences in the community.
2. It will lower property values.
3. There will be increased vehicular and pedestrian traffic.
4. There will be noise emanations from this structure.
5. It will negatively impact the environment of our community.
6. The structure is for commercial use in area zoned residential.

I request that Comcast's application for special exception to build an OTN in the 6300 block of Piney Branch Road, N.W., be denied.

Sincerely,

John A. McCarthy Jr.
