RE: 16785

Dear Madman Chair:

Commissioner Daniel M. Pernell SMD representative for ANC6A02 the SMD where the request to have the BZA approve a variance from off street parking was not successful in his attempts to have the applicant appear before the Zoning and License Subcommittee for ANC6A The Zoning and License Subcommittee voted on October 10 2001 to recommend to the full ANC not to support the applicants request.

Therefore until such time the applicant and the SMD representative can discussed this matter at a SMD meeting and have the applicant appear before our ANC zoning and license subcommittee and full ANC the full ANC will not support the application.

This matter came before the full ANC on November 1, 2001 at Minor School, with a quorum present the ANC voted to adopt the subcommittee's recommendation.

Sincerely

Ivette Basterrechea
