ADDITIONAL ARGUMENT TO SUPPORT VARIANCE:

AFRICAN COMMUNITY CENTER.

The center is to promote an atmosphere whereby people from all walks of life meet to celebrate birthdays, wedding engagements, wedding receptions, et cetera. The center does not supply or sell alcohol to its clients. The center is only responsible for the supply of the hall as a gathering place.

Finally, the center will operate from 8:00 p.m. Fridays to midnight Sundays (weekends) as a result cause very little to non-existence parking problems to the general public and or its clients. There are over 200 public parking in the immediate surrounding the building.
