MEMORANDUM

TO: Jerrily R. Kress, FAIA
Director, Board of Zoning Adjustment

FROM: Barbara Ferguson Kamara
Executive Director, OECD

DATE: October 12, 2001

SUBJECT: BZA Application No. 16789

The Department of Human Services has reviewed the application numbered 16789 from Carl Huff and James Dickerson, 828 Evarts Street, NW 20018, requesting a permit for a child development center containing fifty (50) students and teachers in an R4 Zone.

The child development center in question is not a current or former child care provider with the Department. Several other Subsidy Providers in that ward have agreements with the DHS Child Care Subsidy Program. Two (2) of those providers service infants, two (2) offer services to preschool aged children and only one (1) provides school age care services. With the increased demand for child care services, especially services for more infant and toddler providers as a result of Welfare Reform and two parent working households, the Department of Human Services is recommending approval of this facility request.

Questions concerning the response regarding BZA Application No.16789 should be directed to Kathy Anthony Manning, Supervisory Program Monitor, Office of Early Childhood Development on 727-3557.
