Re: BZA Docket 16791

Dear Ms. Kress:

I am writing to inform you that on September 19, 2001, the Executive Committee of ANC 6B meet in emergency session to consider BZA Application 16791, an appeal of decision by Zoning Administrator Michael Johnson of August 30, 2001 concerning the application of DCMR Title 11, Section 701.3 to the proposed construction by Girls and Boys Town of Washington at 1308, 1310, 1313 and 1314 Potomac Avenue, SE (known as Boys Town Phase I). This meeting was called under Article IX, Section 5 of the ANC 6B bylaws, which authorizes the Executive Committee to act in on emergency basis after calling a Commission meeting in which a Commission quorum was not achieved. It is the determination of the Chair that the cancellation of the regularly scheduled monthly meeting of ANC 6B on September 11 due to a state-of-emergency in the District of Columbia meets the criteria stated in the bylaws.

Present were Commissioners Ann Black, Will Hill, Ken Jarboe (chairing), Robert Siegel, Charles White, John Branscomb, and Kalimah Abdul-Sabur. With the presence of Jarboe, Hill, Siegel and Abdul-Sabur, a quorum was present (Executive Committee requiring at least 3 officers present for a quorum). The presence of seven Commissioners also constitutes a quorum for the full ANC.

The Executive Committee voted 7-0-0 to join in this appeal.

Because the hearing date for this case will after the next regularly schedule monthly meeting of ANC 6B on October 9, the case will be reviewed by the full Commission at that time. I will inform you of the results of the full ANC's deliberations after that meeting.

Sincerely,

Kenan Jarboe
Chairperson
