# PETITION

**We, the undersigned residents of the Pennsylvania Avenue SE neighborhood, OPPOSE the plan to build a Boys Town facility in the 1300 block of Pennsylvania Avenue SE and/or the 1300 block of Potomac Avenue SE. First, the building of a residential-type group care complex for youth on this vital parcel of land will cause irreparable harm to the long-term prospects for economic development along this important "Gateway to the Capitol" corridor. Second, this proposal is in direct conflict with the stated goals for this area in the District of Columbia's Comprehensive Plan for Ward 6. Third, despite the dedicated efforts of the citizens and the police department, this neighborhood still has severe drug culture and crime problems and is far from being an environment in which anyone should want placed troubled and/or abused and neglected youth. We therefore call upon the leadership of Boys Town USA to respect the desires, needs, and rights of the citizens in this community by rescinding their proposal to build on this site.**

PETITION

We, the undersigned residents of the Pennsylvania Avenue SE neighborhood, OPPOSE the plan to build a Boys Town facility in the 1300 block of Pennsylvania Avenue SE and/or the 1300 block of Potomac Avenue SE. First, the building of a residential-type group care complex for youth on this vital parcel of land will cause irreparable harm to the long-term prospects for economic development along this important "Gateway to the Capitol" corridor. Second, this proposal is in direct conflict with the stated goals for this area in the District of Columbia's Comprehensive Plan for Ward 6. Third, despite the dedicated efforts of the citizens and the police department, this neighborhood still has severe drug culture and crime problems and is far from being an environment in which anyone should want placed troubled and/or abused and neglected youth. We therefore call upon the leadership of Boys Town USA to respect the desires, needs, and rights of the citizens in this community by rescinding their proposal to build on this site.

# PETITION

**We, the undersigned residents of the Pennsylvania Avenue SE neighborhood, OPPOSE the plan to build a Boys Town facility in the 1300 block of Pennsylvania Avenue SE and/or the 1300 block of Potomac Avenue SE. First, the building of a residential-type group care complex for youth on this vital parcel of land will cause irreparable harm to the long-term prospects for economic development along this important "Gateway to the Capitol" corridor. Second, this proposal is in direct conflict with the stated goals for this area in the District of Columbia's Comprehensive Plan for Ward 6. Third, despite the dedicated efforts of the citizens and the police department, this neighborhood still has severe drug culture and crime problems and is far from being an environment in which anyone should want placed troubled and/or abused and neglected youth. We therefore call upon the leadership of Boys Town USA to respect the desires, needs, and rights of the citizens in this community by rescinding their proposal to build on this site.**
