This letter is in reference to the letter dated February 12, 2002, sent to you by Kalimah Abdul Salbur, my ANC Representative.

I understand that Ms. Abdul Salbur sent you a letter stating that our single member district is in favor of building Boys Town at the corner of Penn. Ave & Potomac Ave, SE, Washington, DC, this is the furthest from the truth. I live on Potomac Ave and all my neighbors (at least 50 people) are completely opposed to this establishment being built at the above-mentioned location.

Please reconsider any positive impact Ms. Abdul Salbur's letter may have had on your decision. If you want to know the real truth, come canvas my neighborhood.

In my opinion, Ms. Abdul Salbur has not told the complete truth in this matter. Our neighborhood is **COMPLETELY OPPOSED** to this in its entirety.

Thank you for your reconsideration in this matter.

Should have any questions or need further information, please contact me in writing at the above address.

Sincerely,

Van Hale
