RE: Zoning Variance/Exception Hearing #: 16794

Dear Mr. Griffis:

This is to confirm the substance of the telephone conversation from Monday, 19 November, with Ms. Sarah Benjamin, Public Relations Specialist, wherein we notified her that upon returning from an extended out-of-country stay just last Sunday (18 November) I learned that my immediate neighbors at 3207 Cathedral Avenue, Christopher & Sylvia Addison, have applied for zoning variances or exceptions (Application # 16794).

The neighbor's requests may significantly impact me and my property and I wish to reserve the right to submit both written and/or oral comments to the Zoning Board at its hearing on Tuesday, November 27th. Prior to submitting written comments I would like to discuss the details of their plans with Mr. & Mrs. Addison.

Please let me know of any particular procedures or timeframes that may apply to my presenting my comments.

Sincerely,

George Chopivsky
