Ms. Jerrily R. Kress
Director
District of Columbia Office of Zoning
441 4th Street, NE
Washington, DC

Dear Director Kress:

I am requesting a waiver of the required seven (7) day prior to hearing date filing period for Advisory Neighborhood Commission's to submit information regarding Board of Zoning Adjustment cases. The requested waiver applies to Case No. 16794, 3207 Cathedral Ave., NW. I have sent under separate cover the decision of ANC 3C on this case.

The ANC did receive the relevant materials from the Zoning Office in a timely manner. Contact was made with your staff and the Office of Planning to gather any additional information necessary to our thorough consideration of this case. When it was brought before the commission at the regularly scheduled October meeting, the commission determined that the complexity of the issues warranted referral to the Planning and Zoning Committee, which is a usual practice of the ANC. That meeting was held on November 8, 2001 and the case was accordingly reconsidered at the regularly scheduled November meeting held last night, November 27.

I regret any inconvenience this delay causes the Zoning Office staff and respectfully request that our accompanying letter regarding the disposition of this case be included in the record and be afforded great weight.

Thank you for your consideration.

Sincerely,

Nancy J MacWood by RMB
