RE: BZA Application #16803
1358 Girard Street, NW

Dear Mr. Guyot:

Thank you for allowing me to meet with you this morning regarding the above referenced Board of Zoning Adjustment application. Our hearing is scheduled tomorrow, December 11, 2001. The documents in support of our case filtered in so slowly that we were unable to arrange a presentation at the last ANC meeting.

I am in the process of contacting all of the Commissioners in ANC 1B and have received pledges of support from some. There has been no opposition. We have met with property owners on the block and have encountered no opposition. All have been supportive and three have written letters. We believe the case has merit and would appreciate your support.

The hearing is tomorrow so time is of the essence. If you have no opposition to our request please indicate, by signature below. Thank you for your consideration.

Sincerely,

Edgar T. Nunley
