RE: BZA Application –16808

Dear Ms. Kress:

Dawn to Dusk Child Development Center has been a part of the Ward Eight community for several decades, and Mrs. Parker has been an active member of the community, since the center was first opened. To meet the needs of the growing area, Mrs. Parker purchased property to expand the level of services she is able to offer. In order to use this new property as a child development center, a special exception is needed.

Mrs. Parker applied for the exception and after receiving support from the Office of Planning and the Advisory Neighborhood Commission; she contacted my office for additional support. After reviewing her proposed plan, I think the addition to the child development center is not only beneficial to the community, it is essential to maintain the level of care her clients and surrounding neighbors have come to expect from Dawn to Dusk. This letter is being written in support of application BZA-16808

Sincerely,

Sandra C. Allen
Councilmember Ward Eight
