RE: BZA Application #16808

Dear Board Members:

I have received the list of additional items needed in order for the Board to make a decision on application #16808. I am working with the American University College of Law to help me formulate my answers properly and to ensure the Board receives all the information needed. The answers are due on March 26, 2002. I am respectfully requesting a continuance to make sure each issue is addressed and the appropriate answers are given. I will have everything ready and submitted in time for the May 7, 2002 board meeting.

Thanking you in advance,

Abigail Y. Parker
