RE: BZA Application No. 16810 – Lori Trautwine, 1324 27th Street, N.W.

Dear Mr. Pulsifer:

The Board of Zoning Adjustment is in receipt of your correspondence dated February 14, 2002 on the above-mentioned application. Two hearings have been held on the case and the plans for the project have changed since your report was filed. At the last BZA hearing on March 12, 2002, the Applicant was instructed to refine the project and prepare one final plan to be reviewed by all parties. Therefore, we are asking that the ANC review the final plan that will be provided by the Applicant and submit written comments to the Board, prior to the next scheduled hearing.

The hearing will be continued on **APRIL 9, 2002, afternoon session.** Please file your comments prior to that time. The Applicant was encouraged to have the final design reviewed by the Old Georgetown Board. Also, the Office of Planning was asked to review the project's final plan and provide a supplemental report to the Board.

The project manager working on this case is Beverley A. Bailey. She may be reached on (202) 727-0364, if additional information is required.

Sincerely,

JERRILY R. KRESS, FAIA
Director
