Dear Ms. Reid:

RE: Application 16812 Jeremy Rifkin and Carol Grunewald for a special exception to an addition to a single-family dwelling not meeting rear yard requirements.

At ANC 3G's publicly announced meeting of November 26, 2001, the Commission voted 5 - 0 –1 (a quorum being four) to support the application 16812 for the special exception for Jeremy Rifkin and Carol Grunewald. Mrs. Grunewald appeared at the ANC 3G's meeting of November 26, and made a presentation at that meeting on their needs and the implication of this special exception. She presented a petition of neighbors, who had no objections. No objection was voiced at the meeting to this request for the special exception. The ANC support was in part due to the fact that the rear yard was already non-confirming.

Sincerely

Joseph L. Bishop per ps
